

VANCOUVER, BC – (June 4, 2019) – FireFox Gold Corp. (“FireFox” or the “Company”) announces a non-brokered private placement offering. Subject to regulatory approvals, the Company intends to raise gross proceeds of \$200,000 to \$500,000 by issuing from 2,000,000 up to 5,000,000 units of the Company at a purchase price of \$0.10 per unit. Each unit will consist of one common share of the Company and one non-transferrable common share purchase warrant. Each warrant shall be exercisable into one additional common share of the Company for a period of three years from the closing of the Offering at an exercise price of \$0.15. Prior to this financing, FireFox has 29.4 million shares outstanding, 4.3 million warrants, and 1.7 million stock options issued.

The shares issued pursuant to the offering will be subject to a statutory hold period of four months plus one day from the date of issuance, in accordance with applicable securities legislation. Finders’ fees may be payable to qualified finders in accordance with applicable regulations. All currency figures cited in this news release are in Canadian dollars.

About FireFox Gold Corp.

FireFox Gold Corp is listed on the TSX Venture stock exchange under the ticker symbol FFOX. The Company is focused entirely on gold exploration in Finland where it is exploring its project portfolio that includes over 100,000 hectares of prospective ground.

Finland is one of the top mining investment jurisdictions in the world as indicated by its multiple top-10 rankings in recent Fraser Institute Surveys of Mining Companies. Having a strong mining law and long mining tradition, Finland remains underexplored for gold. Recent exploration results in the country have highlighted its prospectivity, and FireFox is proud to have a Finland based CEO and technical team.

For more information concerning the Company, please refer to the Company’s profile on the SEDAR website at www.sedar.com.

On behalf of the Board of Directors,

“Carl Löffberg”
Chief Executive Officer

Forward Looking Statements

The information in this news release contains forward looking statements that are subject to a number of known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in our forward looking statements. Factors that could cause such differences include: changes in world commodity markets, equity markets, costs and supply of materials relevant to the mining industry, change in government and changes to regulations affecting the mining industry. Forward-looking statements in this release may include statements regarding the completion of the Offering and the timing thereof and the use of proceeds therefrom. Although we believe the expectations reflected in our forward looking statements are reasonable, results may vary. The forward-looking statements contained in this press release represent the expectations of FireFox as of the date of this press release and, accordingly, are subject to change after such date. Readers should not place undue importance on forward-looking statements and should not rely upon this information as of any other date. FireFox does not undertake to update this information at any particular time except as required in accordance with applicable laws.

It should also be noted that while FireFox's properties are sometimes adjacent to or nearby operating or historic gold mines or active gold projects being advanced by other companies, the mineralization on properties nearby FireFox's land packages is not necessarily indicative of mineralization on FireFox's properties.
